

Barbara Hinshaw, CPP
Government Liaison

I have been the Payroll Specialist for RJ Young Company for 4 years. I became a member of GNCAPA 3 ½ years ago, a member of National 3 years ago, and became a CPP 1 year ago. The Chapter and friends I've made have been invaluable to my growth as a payroll professional.

I started my career as a Pension Consultant, later focusing on 401(k) plans. After taking several years off, I returned to the "work for pay" world as the office manager/bookkeeper for a small office. It was there that I began manually processing payroll.

Originally from Williamson County, we've lived all over the country, returning "home" 8 years ago. In my spare time, my husband, son, and I enjoy reading, camping/hiking, and UT sports.
