

I have worked at Central Parking System as the Payroll Manager for a little over a year. Previous employers include t Drx, Mars Pet Care and American Retirement, Nortel Networks. I have been in payroll about 14 years. I have been a CPP a little over 10 of those years thanks to the mentoring of some very special people. If it were not for Leta Canfield I would never even know what the CPP test was and the benefits that it held for me. She is also the person to introduce me to the Greater Nashville Chapter of the APA. I also have to Lisa Shell for continuing the encouragement that Leta began and for her assistance in getting involved at the national level. The rest is history; I have grown to love the Greater Nashville Chapter and all the wonderful people involved. I truly believe that if it were not for the GNC members I would not be where I am today. I have a very successful career, and a payroll network that continues to mentor me and keep me going. I have met APA members from all over the U. S. and some from other countries. I am truly amazed at how blessed I am. I would like to thank each member for all you do and for giving me the opportunity to serve as an officer and to give back in a small way.
