Dear Ms. Lillie:

This is to advise the October meeting of the Greater Nashville Chapter of the American Payroll Association will be held at the offices of Corroon & Black, 301 Plus Park Boulevard, Nashville, on Thursday, October 16, 1986 beginning at 6:00 p.m. I would like to thank Janet Rocco, Payroll Supervisor for Corroon & Black, on behalf of the Chapter, for providing conference room facilities for this meeting.

As was discussed in September, this will be a business meeting, therefore, we will not have a guest speaker. The agenda will include:

- Adoption of the Chapter Constitution
- Election of Officers
- Committee Appointments
- Adoption of Articles of Affiliation

All of these matters are very important to our chapter formation, therefore, I urgently request your presence at this meeting. As always, you are welcome to invite guests, however, non-members will not be eligible to participate in voting matters.

Our September meeting, held at the Marriott Hotel, was very successful with twenty members and guests present. I am hopeful that our October meeting will be even better.

If you should have any questions or need more information in this regard, please contact me. I look forward to seeing you on Thursday, October 16. Until then, I am and shall remain,

Sincerely yours,

Jim Conner, CPP
Section Manager, Payroll
