

## EXPERIENCE APA'S 32<sup>ND</sup> CONGRESS FROM THE CONVENIENCE OF YOUR OFFICE

For the 5<sup>th</sup> year in a row, American Payroll Association is offering an opportunity to enhance your Payroll knowledge at your own convenience by attending **VIRTUAL CONGRESS**. This opportunity is for those that couldn't attend the 32<sup>nd</sup> Congress experience in Minneapolis this year as well as for those that did attend and still need to collect additional RCHs.

VIRTUAL CONGRESS will give you the excitement and education of Live Congress at a fraction of the cost. You can **earn up to 8 RCHs** by attending online. Take part in five new workshops, a general session (I would suggest Walter Bond's presentation...He was phenomenal), a game center, exclusive exhibitor booths, video highlights from Live Congress and last but definitely not least...you will have many opportunities to interact with fellow attendees via the chat room.

VIRTUAL CONGRESS will be available On Demand from now until August 22<sup>nd</sup>, 24 hours a day – 7 days a week. If you are a **member** of National APA, **your cost is \$0.00**. The price for a **non-member is \$254.00**. This is such a bargain that I hope you will take advantage of what is being offered.
