Tennessee Child Support, Pertinent Information for Payroll Professionals

This workshop will explain how Tennessee Child Support can help your company comply with Federal and State laws in an easier, less time-consuming fashion. An overview of the program as well as essential laws that are pertinent to payroll professionals will be presented. All the electronic mechanisms available for making communicating with Child Support faster, more efficient, and more economical will be discussed. They will show that by working together, we can make more of an impact on children and families by ensuring support payments are safely, timely, and accurately delivered.
